Psalm 33:12 Blessed is the nation whose God is the Lord; and the people whom he hath chosen for his own inheritance.

I am with you daughter, be at peace, begin writing My words:

FREEDOM – What is freedom? Do you understand how your country was founded on freedom?

My children this is a lesson to be learned. I have given you My Will to comprehend My words to you and today I give you your freedom of choice, your will. This message I give is to allow you to understand the great impact your country has given you – your FREEDOM. The moment Columbus set foot on the land of America a grace of God's Will was given – this My children was given you, your freedom. I have established America as a gift to all humanity with its role in bringing about the reign of the Immaculate Heart of Mary and My Kingdom come. This great land, America, was given to My Mother as a gift from the Heavenly Father for Her to bequeath to mankind all grace as a nation, ***“I will dwell in the house of the Lord forever” (Psalm 23:6)***. This means grace was given to this land upon its time of creation. The Immaculate Conception was your founding Father's Catholic decree, for this is a great gift to mankind. I am telling you this so you will be aware of your country's greatness as a nation and the many blessings God the Father has given you. ***Do you comprehend this greatness? Do not forget your humble beginnings as a nation and learn about its great heritage.***

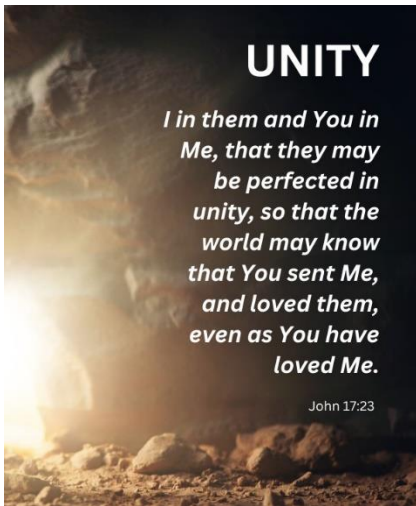

The evil one has tried to take away your past as a nation by trying to create a new one, but this has failed. Each of you as a nation need to be educated on its greatness as a Catholic nation, for this is where your freedom began and this is why the evil one wants to destroy your nation. ***Be brave, accept who you are and place yourselves in the heart of My Mother – the Immaculate Heart – there you will find the truth – there you will stand with peace, love, and courage to be the children of freedom as One Nation Under God. You will be required to fight for your freedom once more and your prayers will accomplish all things with My Mother leading you. Do not fear anyone who will try to take your freedom, stand tall for America and the Catholic faith. I love you all. I am with you always.***

I wish to speak to you today about DISSIDENCE...this word means separate or apart, for this is the state of your country and Church.

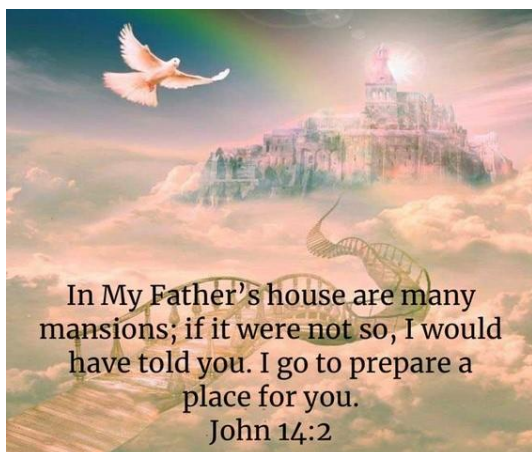

My children it is I Jesus, I am here with you today speaking to your hearts, wanting you to recognize the enemy at work. There are ***so many of My children who are not wanting to understand what unity truly means. I say this for you to comprehend the importance of being unified, for at this time My Church is not and your country is not. I will pour out My grace to those who come to Me seeking My Love to unify My people. This means prayer, sacrifice and acting as One in My Will with your community members and My people.*** I say that your president who has been implemented to destroy your country is going to be taken away, he will be put aside and replaced. Not for long until My son Donald Trump will be made whole in My name, unifying your country once more. Trump will take away those who have caused a great divide and place your country together as one. I am sending My angels to assist him.

Now My Church that has been divided from the East to West will be made whole again. I am taking away those who have caused grave error in your teachings and allowed their pride to become their god. You My little ones of My Will are the love of My Will that you carry within you, because you see My acts as a way to heal and restore humanity, making things new again in My Will. I will place you in My heart for My grace will be sufficient and will be outpouring to all in My Church. No fear for the cleansing has begun. Soon as your president will be replaced so will your pope be replaced. There will be a time of peace remaining until I begin this ***Parousia*** of love, moving and restoring the earth in one continuous act of the Divine Will, for the coming of the kingdom. ***Prepare children with your prayers and acts, for My two sons will restore what needs to be made new. I will use them both as I bring forth this mighty work of God for the Kingdom and My Father will be glorified in a great way. Take these words to heart and know My love is with you and My Will accomplishes all things for the greater glory of God now and in eternity. These words are engraved in the hearts of the children of My Divine Will. Thy Will be done on earth and as it is in Heaven for America and the Catholic Church...Fiat...I am with you always.***

I am with you daughter, be at peace, you may begin:

My Father's house has many mansions and there within each one He wishes for you My children to reside. Place yourself in contemplation of this for a moment. My children I will speak of this contemplation.

Do you truly know what contemplation is with God and the soul? It is a beautiful harmony / connection of God and the soul who truly wishes to be united as one. These elements of harmony and connection are uniformed with frequency and prayer to the point where God authors all things to the soul and the soul receives words from Heaven to the heart as a form of communication and transmits

a frequency of love. ***When you are doing your rounds of prayer in the Divine Will with contemplation, this becomes a frequency of love between the soul and God the Creator. This is the frequency of love that was revealed to you by My Mother.***

I am here to tell you that I want My children to contemplate during their time of prayer and will receive a beautiful connection between God and your soul. I am here to be your instrument of love teaching you all things for the greater Glory of the Father and for My children to become living frequencies of love. You have mastered this when one is united to Me in My Divine Will. I have given you My Mother to help you and to distribute these graces to prepare you in building the kingdom – with this comes love and this is what I want from you, a place where We are One. ***It is through contemplation that We are United and Our love flows to each other and throughout the world to all humanity in One continuous act of love. This is greatly needed to heal humanity. I find Myself searching for My children who will spend time seeking Me in contemplation and prayer; it is there that you will truly come to know your Creator, Redeemer and Sanctifier. This is My Will for each of you. I love you, go in peace. I am with you always.***

The Father speaks, please write My words.

For your kingdom is an
everlasting kindom.
You rule throughout
all generations.
Psalm 145:13

In the beginning I created man to be one with Me, then man fell from My Will into sin. I chose man to be raised above all creation in an act of love so man would rule over all. I have allowed humanity to suffer by Adam's fall but through redemption, My Son became the great sacrifice so man could become one with Me in the Divine Will. It is through My Son Jesus that all will come to know Me. I AM the Creator who has given you the greatest of gifts – My Son who has given you the fullness of the Father and all must

be obedient to His Call. You My children of the Divine Will need to be open to My gift to prepare the kingdom within you. It is alive living and breathing in each soul who wishes to a be child of God's Will, for the kingdom has come and dwells within you. Be alert and allow My presence to resonate within your hearts. This means you will become like little-gods performing all your acts in My Will. My Son speaks now...

Daughter I am here, please continue to write, for the words I give you I give to all.

Children of My Will, how pleased I am that you are listening with a heart eager to learn and live in the Divine Will. My little Luisa was one who was eager to listen and be attentive to My Will and this is what I want for each of you. The times you are living in is the sanctification period of the earth, this is the third Fiat for mankind. These are the days of purification and the days of My Will building and living in the kingdom. You My children are those whom I have chosen to be the receivers of the gift of My Will, and dispensers of these acts of love. My kingdom will come and My Will will be done on earth as it is in Heaven, continuing within each soul who yearns to be one with Me.

The Father has spoken about Adam, and you My children will become like-Adam before the fall, for all grace of the kingdom will be given to those who will follow and act in My Will. You are this living kingdom, believe and know that My Will is within you. Be not afraid to ask and you shall receive, believe and it shall be given. Know that all shall be revealed in My time and man will walk the earth once more as a true prodigy of God.

America, America, stand tall and believe in your founding fathers of faith and freedom. Know that all your acts for God will allow grace to be given and free you once more, for the reward will be great for you in Heaven. I am with you always.
